PAST PERFORMANCE/ RELEVANT EXPERIENCE

Department of Defense (NAVSEA)

Assisted the Program Office in crafting comprehensive Acquisition Packages, encompassing Acquisition Plans, Acquisition Strategies, Market Research, RFIs, SOWs/SOOs, QASPs, Proposal Instructions, Evaluation Criteria, Source Selection Plans, and Technical Evaluation Reports. Provided strategic guidance to the program, aligning efforts with Defense Acquisition Milestones. Skillfully negotiated on behalf of the U.S. Navy's interests and furnished the Department of Defense with essential data to facilitate cost-conscious decision-making.

Department of Defense (US Navy)

Facilitated the planning and implementation of approved regulations, while devising data collection methodologies to gauge operational efficiency, achieving a flawless record during annual standardization evaluations. Managed the execution of Navy Systems Commands operations budgets, totaling millions of dollars. Conducted comprehensive analysis of disparate data sources to pinpoint areas for business enhancement. Introduced streamlined procedures resulting in a 50% reduction in processing time and enhanced identification of critical documents. Spearheaded initiatives to streamline inter-departmental relationships, significantly diminishing training durations for sailors from days to mere hours.

CAPITAL GROUP®
